

## **L2S - Learn to Sew and get a brand NEW Sewing Machine!** (Bernina Bernette 46 sewing machine included in the class)

If you have always wanted to learn how to sew, but with classes and a new sewing machine the cost was just out of your budget this is the program designed just for you.

We'll get you started with all the basics including simple clothing repairs, clothing construction, quilting and home decorating sewing with our L 2 S program.

After completing the course, you will take home your very own NEW sewing machine so you can practice the sewing skills you've learned in class and even expand on them. L A Sewing Group is excited to offer this specially designed program for beginning sewers for **ONLY \$349**.

As your graduation gift you will keep your brand new **Bernina Bernette 46** sewing machine received the first night of class and receive a certificate of completion plus unlimited FREE machine orientation classes! \*\*\* Enrol yourself or a friend today. Space is limited!

### **Class One: Sewing 101**

Wednesday April 6th 6 – 9pm

No Experience Required! We start from the beginning and teach you how to thread a sewing machine, wind a bobbin and get started with all the basic sewing techniques to tackle every sewing project. Learn how to do simple mending, hemming, and sewing.

### **Class Two: Quilting Basics**

Wednesday April 13th 6 – 9pm

An introduction to the joy of quilting is taught tonight as you make a nine patch pillow top with sashing! The techniques taught in this class are quilt piecing, rotary cutting, decorative stitching and machine quilting to prepare you for larger quilting projects.

### **Class Three: Home Décor**

Wednesday April 20th 6 – 9pm

This course is designed to teach you the basic home décor techniques of cording and home décor construction. You will be using your 9 patch pillow top from class two to create a finished pillow with a corded or ruffled edge.

### **Class Four: Basics of Fit**

Wednesday April 27th 6 – 9pm

Designed to teach beginning sewers how to take body measurements, make pattern adjustments, read and cut your pattern. Everything you need to know before sewing a garment.

### **Class Five: Clothing Sewing Basics**

Wednesday May 4th 6 – 9pm

As your introduction to world of clothing sewing you will sew a pair of pyjama bottoms. You will learn about seam allowances, hems, casings, seam finishes and pattern reading.

\*\*\*Participants will have the option to receive a credit of \$99 towards the purchase of a sewing machine or serger with a greater value than the Bernette 46

\*L A Sewing Group reserves the right to substitute the sewing machine model based on the availability with a model that is valued the same or above the Bernette 46.
